## CWSS News You Can Use

Every month, your CWSS communications team will be sending out an email blast with information on upcoming events, member and graduate student profiles, as well as links for things such as useful apps. Please take the time to read and provide some feedback.

### Member Profile—Dr. Hugh Beckie

As our first member profile, CWSS wanted to profile a long term member who is retiring from AAFC in Saskatoon and embarking on a new challenge as Director of the Australian Herbicide Resistance Initiative.

Please follow the link to the member profile!!

### Graduate Student Profile

Every month, a new graduate student working in weed science will also be profiled. Thanks to Leanne Koroscil for being our first profile of 2018!
