Dr. Clarence Swanton: Professor Emeritus

Last month, a special online ceremony was held by the University of Guelph to present the Professor Emeriti and faculty awards. Among the recipients was past CWSS-SCM president and CWSS-SCM fellow Dr. Clarence Swanton. Here is an excerpt from the citation for Dr. Swanton: "Among the world's most highly respected weed scientists, Dr. Clarence Swanton has been an active researcher and teacher at the University of Guelph for more than 30 years. He played an integral role in attaining \$77 million in federal funding for the University's Food from Thought research project intended to find sustainable ways to feed a growing world."

You can watch the full address [here](#).

Congratulations Dr. Swanton on this incredible achievement !

Graduate Student Accomplishment !

Congratulations to Nicole Berardi on winning 1st place in the 3 Minute PhD Thesis presentation at the 61st Annual Conference of the Weed Science Society of America. Her presentation was entitled " Shedding light on the power of plant competition".

Congratulations Nicole !
