

Have a great photo from the field, lab, or landscape? Showcase your work and you could be featured in CWSS-SCM publications! Submission deadline is October 31st

Sponsored by **Corteva Agriscience**, the CWSS-SCM Photo Contest is open to all CWSS-SCM members. Prizes will be awarded in each category, and winning photos may be featured in Society publications and other materials.

Photo Categories

1. Agriculture & Forestry

General agriculture or forestry scenes where a single plant is not the main focus. Examples include field operations such as seeding, spraying, and harvesting; forestry activities; or landscapes with a clear connection to agriculture or forestry.

2. Weeds

Images of plants considered weeds, including whole plants, patches, or close-up features. Strong entries may highlight identification traits, competition, or spread, such as weed invasions or resistant versus susceptible populations.

3. Research in Action

Photos capturing research activities in the laboratory or field.

Judging Criteria

Entries will be evaluated based on:

- Originality
- Visual quality
- Relevance to the category
- Overall impact

Submission Guidelines

- Images must be digital (.jpg or .gif) and at least 3 megapixels (suitable for 8 × 10 printing).
- Cropping is permitted, but images must retain their original content.
- Members may submit a maximum of 3 entries per category.
- By entering, you grant CWSS-SCM non-exclusive rights to use your photos.
- If submitting by email, please use the following filename format:
category#_photo_title_photographer_name.jpg
Use underscores instead of spaces and make your photo title descriptive.

Prizes

Prizes will be awarded in each category:

- 1st Place: \$100
- 2nd Place: \$50
- 3rd Place: \$25

People's Choice Award: \$100 – voted on by the CWSS-SCM membership
